UP TO ONE FIGURE OR TABLE

11 Up to one figure or table can be added.

12 Figure

13 Frontiers requires figures to be submitted individually, in the same order as they are referred to in the
14 manuscript. Figures will then be automatically embedded at the bottom of the submitted manuscript. Kindly
15 ensure that each table and figure is mentioned in the text and in numerical order. Figures must be of
16 sufficient resolution for publication see here for examples and minimum requirements. Figures which are
17 not according to the guidelines will cause substantial delay during the production process. Please see here
18 for full figure guidelines. Cite figures with subfigures as figure 2B.

19 Permission to reuse and Copyright

20 Permission must be obtained for use of copyrighted material from other sources (including the web).
21 Please note that it is compulsory to follow figure instructions.

22 Tables

23 Tables should be inserted at the end of the manuscript. Please build your table directly in LaTeX. Tables
24 provided as jpeg/tiff files will not be accepted. Please note that very large tables (covering several pages)
25 cannot be included in the final PDF for reasons of space. These tables will be published as Supplementary
26 Material on the online article page at the time of acceptance. The author will be notified during the
27 typesetting of the final article if this is the case.
